SUMMER KIDS! Dance Workshops 2019

THIS YEAR! 8:30AM-1:00PM STUDIO CARE!

In an effort to better accommodate our dance families and their work schedules, DTSW will be offering additional care for our “SUMMER KIDS” before and after their dance camps. **The studio will be open from 8:30am till 1:00pm.**

For the week, this addition to the program will be \$40, making the whole week from 8:30-1:00pm, with the dance camp and additional studio care time, \$125 plus tax.

The Faculty

Our faculty are highly talented, well-educated professionals in the art of dance, who have danced professionally, taught at the University level and have been international guest artists. Our younger teachers are well-versed dancers and experienced performers in their particular fields of dance.

Classes are also assigned talented, enthusiastic assistants who are on hand to make sure your children receive the attention and assistance they need to make this a positive and fun dance experience.

The Curriculum

Summer Kids! Dance Workshops 2019 is geared towards younger dancers with little to no dance experience. It is an excellent opportunity to introduce dance to young children who may be thinking about enrolling in the fall. DTSW offers safe, correct technical training and is known in the community for its high-quality dance education.

Discovering Dance: *An introduction to movement and dance presented in an age-appropriate, creative manner for our youngest dancers (3 -5).*

Ballet I/II: *Ballet I & II focus on basic elements of ballet technique as well as locomotive & music skills, posture, stretching/strengthening, jumping, creative expression (6-8)*

Choreography: *Students will be taught short theme-related dances to be presented in our Friday, informal studio performance.*

Craft: *Students will create simple crafts, props and/or costumes relating to the theme of the week.*

Creative Movement Activities: *An exploration of body, space & time. Students are encouraged to explore their own personal “styles” of moving.*
